Projects

SRM Event Management System

Built a role-based Event Management System featuring event creation, registrations, attendance tracking, and payment gateway integration with secure REST APIs, responsive UI, and efficient database management.

Tech Stack: Next.js, NestJS, PostgreSQL, TypeScript, Prisma ORM, REST API

SRM IST College Website & Admin Panel

Developed a responsive college website with a role-based admin panel for managing website content, pages, departments, faculty, announcements, and media through secure CRUD operations and centralized content management.

Tech Stack: React.js, Express.js, MongoDB, Node.js, REST API

People OS - HRMS

Developed a microservices-based HRMS using polyglot architecture, integrating payroll management, employee check-in/check-out, Kanban-based task management, and organization-specific role-based access control for efficient workforce management.

Tech Stack: React.js, Node.js, Django REST Framework, REST API, PostgreSQL, JWT

Rydmate - Taxi Booking Platform

Developed a taxi booking platform with dedicated driver, admin, and customer modules, integrating Ola Maps for pickup/drop selection and travel distance calculation, enabling efficient ride management and booking.

Tech Stack: React.js, Node.js, PostgreSQL, Ola Maps API, JWT, REST API

Education

BE (ECE) with 7.43 CGPA

Chettinad College of Engineering and Technology

2025

Puliyur, Tamil Nadu

HSLC with 77.33%

Holy Madonna's Matric Higher Secondary School

2021

Lalapettai, Tamil Nadu

SSLC with 65.2%

Government Higher Secondary School

2019

Lalapettai, Tamil Nadu
